Subject: Little League Softball Day with the University of Arizona

**Little League Softball Day
University of Arizona vs. University of Minnesota
Sunday, March 14 at 1:00 PM
Hillenbrand Stadium**

On March 14, Little League International and the University of Arizona would like to invite you and your Little Leaguers to attend the "Little League Softball Day." The event will be held at the home field of the Wildcats of the University of Arizona in Tucson at 1:00 PM, when the Wildcats take on the Gophers of the University of Minnesota.

In order to promote Little League Softball, as well as the college softball experience, Little League Baseball and Softball is creating a "Little League Softball Day" at the collegiate level. It is on this day that young athletes of all ages will get to experience the game of softball at its finest. They will have the complete game experience from the warm up to the game-ending play.

A "Little League Softball Day" is designed to promote what participating in Little League Softball can potentially lead to. It will also provide a generous amount of exposure to the participating colleges and universities. This event could lead to an on-going relationship between the local collegiate programs and their surrounding Little Leagues.

On Game-day:

- The Little League players can attend the game for \$2.00. Parents and chaperones may attend the game at a reduced rate of \$4.00. Little League players are encouraged to wear their uniform shirt with the Official Little League patch sewn onto the left shoulder of their uniform shirt to be recognized. **Advance online ticket purchases are required. Limited Seating. We recommend Team and League orders to reduce costs due to a \$6.00 Ordering Fee.**
- Poster Creation Station
- In-Stand Promotions
- Fun Face Tattoos
- Prizes

On behalf of Little League Baseball and Softball, I urge you to take advantage of this wonderful opportunity. Please feel free to contact Jeff or me if you have any questions.

For more information and how to purchase tickets, please visit
